MEMOR HEALTH – PATIENT FINANCIAL POLICY

Thank you for choosing our practice! It is our belief that establishing a written financial policy is mutually beneficial to all parties. It is our goal to avoid any miscommunication or concerns regarding financial matters in order to focus our energies on providing excellent healthcare services to our patients.

PAYMENTS AND FEES Out-of-pocket payments, co-payments and deductible amounts are due at the time of service. If the patient is a minor, the parent/guarantor will be responsible for making payment of services. In the case of services provided to patients under the age of 18, the parent, guardian or legal representative **who initiates** the services for the minor will be responsible for payment. We do not bill another individual or estranged spouse for payment.

MISSED APPOINTMENTS Memor Health maintains a No-Show/ Cancellation Policy, that dictates that appointments which are not cancelled 48 hours in advance of the appointment will be assessed a fee starting at \$75.00 (subject to change). This Charge is non- payable by insurance and is the responsibility of the patient. This fee must be paid before we can reschedule an appointment for you.

INSURANCE You can find the list of insurances we accept currently on our website (www.memorhealth.com). If we are a contracted provider for your insurance plan, we will bill the insurance directly. We do not file claims to any insurance in which we do not participate. Every insurance policy varies with respect to the specific benefits and coverage provided. As a courtesy, we will contact your insurance provider to determine your benefits and we will do our best to explain your insurance benefits to you. However, we encourage you to call your insurance company yourself to learn exactly what your mental health benefits are; as they are often different from other medical benefits.

It is not uncommon that we are given erroneous, misleading, or contradictory information when verifying your insurance benefits. Therefore, we cannot be responsible if the information we provide you is in error and your insurance ends up covering a smaller amount of your charges than you expect, or does not cover our services at all.

PLEASE REMEMBER: The agreement of the insurance carrier to pay for health care is a contract between you and the insurance company, therefore It is ultimately your responsibility to check with your insurance company to determine covered benefits. Any questions or complaints regarding coverage should be directed to your insurance company.

If your insurance policy changes, please call our office to inform us of your new policy and bring your insurance card with you to your next appointment.

I hereby confirm that I have read the financial policy and understand it.
